Parkhya Solution,

Indore, India

March 2023 - May 2026
Shopify Developer

- Worked as a Shopify Developer with over 3 years of experience in Shopify theme customization and store development.
- Responsible for Shopify store setup, OS 2.0, custom theme customization, and enhancing existing stores. Developed custom sections, templates, and product pages based on client requirements.
- Integrated and configured third-party Shopify apps to enhance store functionality. Converted Figma designs into fully functional, responsive Shopify pages.
- Handled bug fixing, performance optimization, and ongoing store maintenance.
- Collaborated with designers and project managers to ensure timely, high-quality delivery. Reduced development time by creating reusable code components.
- Updated legacy codebases to modern Shopify standards, improving performance and maintainability.
